

Exodus 39-40

An Overview of Chapter 39

After completing the tabernacle, its court, and all the holy objects, the craftsmen focused their attention on making Aaron and his sons new uniform. They carefully followed all the instructions given to Moses.

Finally, all the work was completed and everything was brought to Moses for his inspection and it received his stamp of approval.

An Overview of Chapter 40

Now, the Lord instructed Moses to set up the tabernacle on the 1st day of the 1st month of the second year. The Lord also instructed Moses to dress Aaron and his sons on that day.

Moses does as he is told and personally constructs the tabernacle. When it is completed the cloud covered the tent of meeting and the glory of the Lord filled the tabernacle. Throughout the rest of the

Exodus the cloud and pillar of fire will guide the nation of Israel.

Reflection

When God inspects the work you have done in your life will it pass inspection? God used the cloud and fire to lead Israel, what does God use to lead you? The phrase “*as the Lord has commanded*” appears many times in this passage, would someone writing about your life apply the same phrase to you?
